

The Otisco Township Cemetery Committee is now accepting bids for a proposed driveway extension within the Otisco Township Cemetery located at 7625 Whites Bridge Road, Belding, MI.

The new north side drive will extend west from the existing drive to within five feet of the west property line, parallel to the west edge of the property going south and then east to connect with the existing south side drive, forming a U shaped drive. In addition a new drive to the north will need to be added. A site plan is available at the Otisco Township Office, 9663 Button Road. The proposed extension and north drive have been flagged.

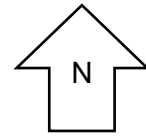

If you have any questions regarding the location please confirm them with Otisco Township office. You may call the Township Office (794-3506) to make an appointment to meet at the cemetery if you would like to make an appointment to walk the proposed drive with a Cemetery Committee member.

Please include the following in your bid:

- Insurance Certificate
  - Obtain necessary Permits from the Ionia County Road Commission, if required
  - All topsoil to be stripped off the driveway extensions to a depth of six inches. Load, haul and dump topsoil at a designated location with Smyrna Cemetery.
  - Provide and spread four to six inches angular/sharp edged stones over the driveway area in a single interlocking layer. Compact.
  - Provide and spread processed road gravel to a depth that when compacted will achieve a two-inch thickness.
  - Provide and spread asphalt millings to a depth that when compacted will achieve a two-inch thickness.
  - Finish drives to have a crown of three to four inches.
  - Clean and shape perimeter edges of driveway extensions and work areas.
  - Please itemize your bids, including amounts and costs.
  - Driveway extension to be completed no later than mid-October.
- Any required tree trimming will be done by others.
- We would like to receive your bid no later than Thursday August 17, 2017 by 12pm.
